

Paul's Preaching

Personal v.17a -

God chose the people of Israel to be His people. Time and time again we see Him interacting personally with His creation.

Patient v.18 -

Paul says He "put up with their ways".

Saviour v.23 -

Jonathan Edwards said that one cannot be saved until he has experienced the terror of being lost.

Merciful v.34 -

Paul quotes Isaiah 55:3, *'the sure mercies of David'* term used to describe God's everlasting promise with us.

Forgiver v.38 -

with forgiveness comes release.

So when we begin to focus on what "we" have done or get our priorities out of order,

let's remember who *He is* and I am sure everything will come back into its proper perspective.
